

RISE[®] UNIFORM CARRIER

RISE Uniform Carrier is a designated external armor carrier offering all-day rifle protection and comfort in a classic uniform appearance. Available in load-bearing or Class B configurations, the Uniform Carrier stays true to the classic RISE DNA with all-day rifle protection and unparalleled weight distribution. The Uniform Carrier is equipped with the patented QuadCore[®] Belt System offering fully adjustable sides couple with a back to front adaptable locking belt cover for improved appearance, protection and utility. Each carrier is constructed using premium materials and methods for years of service in the field.

**WE STAND BEHIND OUR BALLISTIC PERFORMANCE,
SO YOU CAN TOO.**

COMFORTABLE

- Durable mesh lining with antimicrobial and moisture wicking properties
- Fully adjustable sides using QuadCore® for superior vest securement and market-leading weight distribution
- Front and rear internal bottom loading rifle plate pockets with vertical adjustment
- Available for male and female First Responders with custom sizing for a tailored fit
- Separating shoulders for vest height adjustment using premium Velcro® for added security during the recovery of a downed First Responder

PROFESSIONAL

- Available in Class B or load-bearing configurations
- Two full-size, multi-functional expandable dress pockets feature hidden design elements to securely stow phones, pens, IDs and additional items requiring safe, yet quickly accessible storage
- Adjustable shoulder epaulet location and V-neck profile for improved duty shirt collar appearance
- Adaptable locking belt cover using Fidlock® magnetic SNAPS with secondary Velcro attachment for improved appearance
- Optional reinforced badge and nameplate configuration with or without color matching Velcro loop
- Optional rear color matching Velcro panel for ID placards
- Optional additional lower Mic Tab for body cameras

PREMIUM QUALITY

- Shell constructed of durable 500 Denier CORDURA® nylon
- Premium height adjustable separating shoulder straps securely attached to the ballistic armor panels to prevent armor from shifting or curling
- Load-bearing options offer MOLLE compatible low-profile laser cut PALS webbing constructed of an exceptionally durable and tear resistant color matching laminate
- Color matching melamine buttons that won't crack or burn, specialty button capable throughout
- Discreet YKK® zippers used throughout

Standard colors are Black, Dark Navy, Tan 499, OD Green, Wolf Gray, Spruce Green & Silvertan
